Transforming lives. That's our vision.

Director of Nursing / General Manager

We have an exciting opportunity for a commercially astute yet, clinically passionate General Manager/Director of Nursing to lead the team at RiverCity Private Hospital in Brisbane.

As part of Vision Eye Institute (VEI), Vision Hospital Group comprises 10 day surgeries across New South Wales, Victoria, Queensland and South Australia.

RiverCity Private Hospital is a beautifully appointed specialist day hospital co-located with two consulting clinics just 5km from Brisbane's CBD. Equipped with state-of-the-art surgical facilities, including 3 stand-alone theatres RiverCity is an accredited, contemporary, purpose-built facility.

Vision Hospital Group has an ambitious and exciting growth strategy, which includes expanding our clinical service profile even further at the right locations.

The opportunity

We are currently seeking a new General Manager/Director of Nursing for our RiverCity Private Hospital in Brisbane. The primary function of this role is to oversee and be accountable for the day-to-day management of the day surgery as well as provide oversight and leadership guidance to the Practice Manager responsible for the consulting clinics. In addition to leading the supportive, dedicated and highly specialised team, key performance measures also include clinical outcomes, customer experience, financial performance and growth of the business.

The successful candidate will be a strong clinical leader, with a commercial and growth mindset, who will promote the organisation within the local community. The ability to identify new/potential opportunities and developing and executing business plans will be an essential element to succeeding in this role.

Reporting to the General Manager - Day Hospitals, you will be expertly supported by a suite of centralised corporate support functions including Marketing, Finance, Quality and Risk and People and Culture.
