Vision Hospital Group (VHG) comprises 10 day surgeries across New South Wales, Victoria, Queensland and South Australia. At our day surgeries, you will find friendly, highly experienced administrative and specialist theatre teams, led by an on-site Director of Nursing.

Fully equipped, state-of-the-art day surgeries are predominantly co-located with clinics or only a short drive away for patient convenience and continuity of care. All day surgeries are accredited against ISO 9001:2015 and National Safety and Quality Health Services Standards.

VHG is part of Vision Eye Institute (VEI), Australia's leading provider of ophthalmic services, with a mission to transform lives through a strong commitment to the delivery of high-quality outcomes for patients. We take pride in our positive workplace culture; strong focus on teamwork, comprehensive internal training and continuing professional development opportunities.

To realise our vision of transforming lives we need amazing people to be a part of our specialist team and we hope that includes you!

We are currently seeking expressions of interest for permanent and casual positions for a wide variety of roles, including day-to-day tasks such as (but not limited to):

- Scrub/Scout
- Patient monitoring
- Patient admissions and discharges

Qualifications and Experience (essential):

- Currently registered with AHPRA
- Minimum of 2 years post-graduate experience in perioperative nursing
- Ability to work as part of a team
- Commitment to quality improvement and providing our patients with excellent care and customer service

Qualifications and Experience (highly regarded):

- Previous experience of working in an ophthalmology operating theatre/day surgery
